

EXECUTIVE SUMMARY

Quick Start - FY18-19 Request for Pre-Proposals (RFP)

Read this First!

The USWBSI is soliciting proposed research for the following:

➤ **Category 1 – Commodity-based and VDHR-Uniform Nursery Coordinated Projects (CP):**

- Commodity-based
 - Barley (BAR-CP);
 - Durum (DUR-CP); and
 - Hard Winter Wheat (HWW-CP)
- VDHR Uniform Nurseries:
 - Spring Wheat Parents (VDHR-SPR);
 - Northern Soft Winter Wheat (VDHR-NWW); and
 - Southern Soft Red Winter Wheat (VDHR-SWW)

For more information, please turn to page 17.

➤ **Category 2 - FHB Management (MGMT) Coordinated Projects.**

For more information, please turn to page 26.

➤ **Category 3 - Research Area Individual Project Pre-Proposals:**

- FHB Management (MGMT);
- Food Safety and Toxicology (FST);
- Gene Discovery and Engineering Resistance (GDER);
- Pathogen Biology and Genetics (PBG).
- Other – pre-proposals that do not fit into a specific research area or coordinated project.

For more information, please turn to page 34.

What is new for FY18-19?

- **Project Summary** is a required component for all Pre-Proposal Categories. The format and content requirements changed starting with the FY16-17 RFP. **However, not all PIs with projects that have been funded prior to FY17, have modified their project summary to conform to the new required format.** PIs submitting pre-proposals for ongoing research projects should carefully review the instructions and new content requirements. Simply copying and pasting the FY17 project summary into the pre-proposal without editing for conformance to content requirements and word limit is not acceptable.
- Digital images inserted into the Plan of Work/Project Description must only be included within the page limits. The **maximum size of images** to be included should be approximately 1200 x 1500 pixels using 256 colors. Figures must be readable as printed on an 8.5” x 11” page at normal (100%) scale.
- **Research priorities** have been updated for FY18-19. For more information, please see the [FY18-19 Program Descriptions and Research Priorities](#) (begins on page 9).
- **Electronic Pre-Proposal Submission (EPS) System:** The EPS System is running on a new platform for FY18-19. However, PIs who have previously submitted pre-proposals to the USWBSI will **NOT** need to create a new user account. For PIs submitting a pre-proposal to the USWBSI for the first time,

each Category contains specific instructions for creating a new user account for the EPS system (see page 19, 27 or 34)

What is included in this document?

This document contains only the instructions for submitting pre-proposals for FY18-19. All RFP forms can be downloaded from the RFP website at: https://scabusa.org/research_rfp18-19.

NOTE: Using forms from previous RFP versions is **not** allowed and may result in rejection of pre-proposal.

Categories of Pre-Proposals for FY18-19:

There are three distinct categories of FY18-19 Pre-Proposals:

- 1) Proposed Research Projects submitted to one of the Commodity-based or Variety Development and Host Resistance (VDHR) Uniform Nursery Coordinated Projects (CP);
- 2) Proposed Research Projects submitted to the FHB Management (MGMT) Integrated Management Coordinated Project (IM-CP); and
- 3) Individual Pre-Proposals submitted to one of the Research Area.

For more information on these three categories, see page 3.

IMPORTANT DEADLINES FOR ALL PRE-PROPOSAL CATEGORIES

Description of Item:	Deadline:
Pre-Registration for Electronic Pre-Proposal Submission (EPS) System Begins	August 1, 2017
EPS System Opens	August 3, 2017
Pre-Registration for EPS System Closes	August 31, 2017
Pre-Proposal Deadline	September 19, 2017

To see additional ‘Category’ specific deadlines, turn to page 8.

PREFACE

The FY18-19 Request for Pre-Proposals is based on the USWBSI's Action Plan which will lead to greater collaboration and communication, and more rapid attainment of the Initiative's primary goal: **“To enhance food safety and supply by reducing the impact of Fusarium Head Blight (scab) on wheat and barley.”** To read the complete action plans for all research areas go to https://scabusa.org/pdfs/uswbsi_action-plan_web.pdf.

FY18-19 Research Categories (RC)

Below are the Research Categories for which FY18-19 pre-proposals will be accepted:

1. Commodity-based and VDHR-Uniform Nursery Coordinated Projects:

- ❖ Barley Coordinated Project (BAR-CP)
- ❖ Durum Coordinated Project (DUR-CP)
- ❖ Hard Winter Wheat Coordinated Project (HWW-CP)
- ❖ Variety Development and Host Resistance – Spring Wheat Region (VDHR-SPR)
- ❖ Variety Development and Host Resistance - Northern Soft Winter Wheat Region (VDHR-NWW)
- ❖ Variety Development and Host Resistance - Southern Soft Red Winter Wheat Region (VDHR-SWW)

2. FHB Management Coordinated Project:

- ❖ Integrated Management Studies (IM)

3. Research Area (RA) Individual Project Pre-Proposals:

- ❖ FHB Management (MGMT)
- ❖ Food Safety and Toxicology (FST)
- ❖ Gene Discovery and Engineering Resistance (GDER)
- ❖ Pathogen Biology and Genetics (PBG)
- ❖ Other – pre-proposals that do not fit into a specific research area or coordinated project.

Program descriptions and research priorities for the research categories listed above are included in this document (beginning on [page 9](#)), and may also be accessed at http://scabusa.org/research_rfp18-19. Proposed research should be based on the FY18-19 research priorities which are derived from the goals of the Action Plan.

Requests for Funding

There are three distinct categories of FY18-19 Pre-Proposals: 1) Commodity-based and VDHR-Uniform Nursery Coordinated Projects; 2) MGMT's Integrated Management Coordinated Project (IM-CP); and 3) Research Area Individual Pre-Proposals. An overview of the three categories follows:

- 1) Commodity-based and VDHR-Uniform Nursery based Coordinated Projects (CPs):** If the primary focus of your proposed research (all USWBSI Research Areas) is on Barley, Durum or Hard Winter Wheat, you **should** submit your proposed research to the appropriate Commodity-based Coordinated Projects. If your proposed research is in the area of Variety Development and Host Resistance, and you work within one of the Uniform Nursery Regions (see page 17 to find your regional nursery), you **must** submit your proposed research to the appropriate VDHR Uniform

Nursery Coordinated Projects. Please follow the instructions under **Section 1 - Commodity and VDHR-Uniform Nursery based Coordinated Projects (CPs) – Proposed Research Projects** (instructions begin on page 17).

- 2) **FHB Management Coordinated Project (CP):** If your proposed research fits into the FHB Management Coordinated Project listed below, please follow the instructions and forms under Section 2 titled “**FHB Management Coordinated Project (CP) for Integrated Management – Proposed Research Project**” (instructions begin on page 26) to submit your proposed research.
 - Integrated Management Studies (IM)
- 3) **Research Area Individual Project Pre-Proposals:** If your proposed research is in one of the research areas listed on page 2 and is not associated with a Commodity-based, VDHR-Uniform Nursery or FHB Management Coordinated Project, or if you proposed research was not accepted by one of the CPs, please follow the instructions under Section 3 titled “**Research Area Individual Project Pre-Proposals**” (instructions begin on page 34) to submit your pre-proposal.

Enhancement of USWBSI Communication Activities: The USWBSI is interested in receiving pre-proposals that innovatively address this need. PIs should follow the instructions under **Category 3: Individual Research Area Pre-Proposals**. In Box 13 of the Application for Funding Cover Page, select option ‘Other/None of the above’.

PIs are welcome and encouraged to interact with any of the contacts (listed on page 7) for the Coordinated Projects or Research Areas, or the Networking & Facilitation Office, to identify the appropriate area for their proposed work.

Electronic Submission of FY18-19 Pre-Proposals:

The Electronic Pre-Proposal Submission (EPS) System (web-based) must be used for the submission of all Research Area Individual Pre-Proposals (Category 3) as well as supporting documents for all categories. General instructions for completing pre-proposals and supporting documents for electronic submission are included in this document under each Pre-Proposal Category section.

The on-line submission process begins with the completion of the ‘Pre-Registration Process.’ The pre-registration period opens August 1, 2017 and must be completed no later than August 31, 2017. Information submitted during this process will be used to setup/configure accounts for PIs and Co-PIs. The Electronic Pre-Proposal Submission (EPS) System will open August 3rd. Information needed for accessing the EPS System will be distributed to PIs within 48 normal business hours after completing the ‘Pre-Registration Process.’

The USWBSI does not require signatures by the Authorized Organizational Representatives (AORs) on pre-proposals/proposed research projects, so AORs will not be granted access to the EPS system. If PI’s institution requires approval from the Authorized Organizational Representative (i.e. Sponsored Programs Administration/Office) on ‘pre-proposals’, included in the RFP is a special form that can be used at the institutional level for obtaining approval by the PI’s sponsored programs office. The form can be downloaded from the USWBSI’s Website at https://scabusa.org/research_rfp18-19 under ‘SPECIAL FORMS’ on the FY18-19 RFP web page.

INTRODUCTION

After carefully reading the ‘PREFACE’ and ‘FY18-19 Research Category Program Descriptions and Research Priorities’, you are ready to create your proposed research request(s). Below are a few steps to guide you through this process:

1. First, determine the appropriate Category for your proposed research: **1)** Commodity-based or VDHR-Uniform Nursery Coordinated Project; **2)** MGMT Integrated Management Coordinated Project; or **3)** Research Area Individual Project Pre-Proposal. You may contact any individual listed in Table 1 (page 7) to help determine the most appropriate category for your proposed research.
2. If Category 1 or 2 was selected in step 1, determine the Coordinated Project that best fits your proposed research.
3. If Category 3 was selected, determine the appropriate Research Area for your proposed research.
4. Finally, follow the instructions in the corresponding section to complete your proposal.

NOTE: Pre-Proposals that do not fit into one of the coordinated projects or research areas (listed on page 3) for which proposals are being accepted for FY18-19 are also welcome. Follow the instructions under Section 3 to complete and submit a pre-proposal.

CONFORMANCE WITH INSTRUCTIONS FOR PRE-PROPOSAL PREPARATION:

It is important that all pre-proposals conform to the instructions provided in the FY18-19 Request for Project Pre-Proposal Application. The USWBSI’s Networking & Facilitation Office may return, without review, any pre-proposals that are not consistent with these instructions. The NFO must authorize any deviations from these instructions in advance of pre-proposal submission. Deviations must be authorized by written approval from the NFO Executive Director (dvs@uky.edu) or Administrator (nfo@scabusa.org).

COLLABORATIVE PROJECTS:

In addition to the Coordinated Projects, other collaborative projects within or across research areas are encouraged. PIs who intend to submit pre-proposals with similar objectives, methods, treatments, etc. should coordinate their efforts to produce a single, unified pre-proposal rather than similar, separate pre-proposals. If you are part of a collaborative project, and your proposed project is approved for funding, the funding will come in the form of a direct agreement between USDA-ARS and the collaborating PIs’ institutions.

REVIEW AND FUNDING RECOMMENDATION PROCESS:

Please note that proposed research projects and pre-proposals will be **regarded as confidential** documents. Distribution will be limited only to parties involved with the review process. All pre-proposals received by the assigned deadline will be sent for review to one of the designated review panels. Because Fusarium head blight is such a severe problem for the U.S. wheat and barley industries, the USWBSI’s review process focuses on the **competitiveness of total projects costs** (i.e. direct and indirect) to maximize total funding used for research. The Executive Committee will then review the panels’ recommendations and if necessary, modify the awards to conform to the FY18 Congressional budget and the overall objectives of the Initiative. The final step is approval of the EC’s recommended research plan and budget by the Steering Committee in early December. **All PIs whose pre-proposals or proposed research project(s) are recommended for funding by the Initiative will be asked to compile and formalize their proposed**

research into ‘Grant Applications’ for inclusion in the Initiative’s recommended research plan (approximately mid- to late-January 2018). The recommended comprehensive plan will be sent to USDA-ARS in the early months of 2018. More detailed information on the review process for each pre-proposal category is available on the RFP website - https://scabusa.org/research_rfp18-19.

REVISIONS TO PRE-PROPOSALS MADE DURING THE REVIEW PROCESS:

In the event of a significant development (e.g., research findings, changed circumstances, unavailability of PI, etc.) that might materially affect the outcome of the review of a pending pre-proposal, the PI must contact the Executive Director of the Networking and Facilitation Office (NFO) to discuss the issue. Depending on the outcome of that discussion, the PI may be allowed to submit a one-page update to the NFO. The NFO will provide a form and deadline for the update. Submitting additional information must not be used as a means of circumventing page limitations or stated deadlines.

NEED HELP?

If you have any questions regarding this application or the pre-proposal process, please contact the U.S. Wheat and Barley Scab Initiative’s Networking and Facilitation Office by phone at (517) 353-0201 or by e-mail at nfo@scabusa.org.

To facilitate pre-proposal preparation, a Frequently Asked Questions (FAQs) document pertaining to preparation and submission of pre-proposals has been developed and is available electronically on the USWBSI’s Website at:

https://scabusa.org/pdfs/rfp_faq.pdf

The FAQ document will be updated regularly as questions and requests for clarification are submitted to the Networking & Facilitation Office .

IMPORTANT RFP DATES AND DEADLINES FOR FY18-19 PRE-PROPOSALS

IMPORTANT DATES AND DEADLINES

(Ordered by Category and then Date)

<u>RFP Category</u>	<u>Description of Item:</u>	<u>Deadline:</u>
Category 1: Commodity-based and VDHR-Uniform Nursery Coordinated Projects (CP)	Letter of Intent (LOI) sent to CP Chair and NFO (electronic version acceptable)	July 14, 2017
	Pre-Registration for EPS System Begins	August 1, 2017
	EPS System Opens	August 3, 2017
	CP Chairs notify all PIs who submitted Letters of Intent to their CP whether their proposed research has been accepted into the CP's FY18-19 Pre-Proposal.	August 15, 2017
	Pre-Registration for EPS System Closes	August 31, 2017
	<ul style="list-style-type: none"> • E-version of Proposed Research Project (PRP) sent to CPC Chair and NFO. • CV/Publication List, and Current and Pending Support Form uploaded to EPS System. 	September 19, 2017
	Submission of FY18-19 CP Pre-Proposals by CPCs	October 27, 2017
Category 2: MGMT's Integrated Management Coordinated Project (IM-CP)	Letter of Intent (LOI) sent to CP Chair and NFO (electronic version acceptable)	July 14, 2017
	Pre-Registration for EPS System Begins	August 1, 2017
	EPS System Opens	August 3, 2017
	CP Coordinator notify all PIs who submitted Letters of Intent to their CP whether their proposed research has been accepted into the CP's FY18-19 Pre-Proposal.	August 15, 2017
	CP Coordinator sends protocols to PI's accepted into the CP.	August 23, 2017
	Pre-Registration for EPS System Closes	August 31, 2017
	<ul style="list-style-type: none"> • E-version of Proposed Research Project (PRP) sent to CPC Chair and NFO. • CV/Publication List, and Current and Pending Support Form uploaded to EPS System. 	September 19, 2017
	Submission of FY18-19 MGMT IM-CP Pre-Proposal by IM CPC	October 27, 2017
Category 3: Research Area (RA) Individual Pre-Proposals	Pre-Registration for EPS System Begins	August 1, 2017
	EPS System Opens	August 3, 2017
	Pre-Registration for EPS System Closes	August 31, 2017
	Submission of FY18-19 Pre-Proposal(s) and supporting documents via the EPS System.	September 19, 2017

Need Help? Please contact (see page 7) Sue Canty or Dave Van Sanford if you have questions.
