**Project 1:** USWBSI Networking and Facilitation Office

---

**1. What are the major goals and objectives of the research project?**

The objectives of the Networking and Facilitation Office (NFO) are to:

- 1) Maintain and enhance the management and accountability of USWBSI's resources
- 2) Facilitate and enhance communication within the Initiative and with its stakeholders
- 3) Administer the process of developing the Initiative's annual research plan and budget
- 4) Manage and implement all meetings and conferences

**2. What was accomplished under these goals or objectives? (For each major goal/objective, address these three items below.)**

**a) What were the major activities?**

This project has been achieving the same objectives under prior agreement (#58-0206-9-178) which is still active. The objectives in this agreement were activated in February 2023, and as a result all activity updates were reported in the Performance Report for Agreement # 58-0206-9-178.

**b) What were the significant results?**

Reported in Performance Report for Agreement # 58-0206-9-178

**c) List key outcomes or other achievements.**

Reported in Performance Report for Agreement # 58-0206-9-178

**3. What opportunities for training and professional development has the project provided?**

Nothing to report

**4. How have the results been disseminated to communities of interest?**

Nothing to report.

## Publications, Conference Papers, and Presentations

Please include a listing of all your publications/presentations about your FHB work that were a result of funding from your FY22 grant award. Only citations for publications published (submitted or accepted) or presentations presented during the **award period** should be included.

**Did you publish/submit or present anything during this award period May 1, 2022 – April 30, 2023?**

- Yes, I've included the citation reference in listing(s) below.  
 No, I have nothing to report.

### Journal publications as a result of FY22 award

*List peer-reviewed articles or papers appearing in scientific, technical, or professional journals. Include any peer-reviewed publication in the periodically published proceedings of a scientific society, a conference, or the like.*

Identify for each publication: Author(s); title; journal; volume: year; page numbers; status of publication (published [include DOI#]; accepted, awaiting publication; submitted, under review; other); acknowledgement of federal support (yes/no).

### Books or other non-periodical, one-time publications as a result of FY22 award

*Report any book, monograph, dissertation, abstract, or the like published as or in a separate publication, rather than a periodical or series. Include any significant publication in the proceedings of a one-time conference or in the report of a one-time study, commission, or the like.*

Identify for each one-time publication: Author(s); title; editor; title of collection, if applicable; bibliographic information; year; type of publication (book, thesis, or dissertation, other); status of publication (published; accepted, awaiting publication; submitted, under review; other); acknowledgement of federal support (yes/no).

### Other publications, conference papers and presentations as a result of FY22 award

Identify any other publications, conference papers and/or presentations not reported above. Specify the status of the publication.

*In addition to the required inclusion in this report, to increase the visibility of your work we encourage you to also submit your publications in the new [USWBSI ScabSource Publication Database](#), an open-access resource for all FHB researchers to reference.*
